1. Specifications

Construction — 16-gauge steel

Size — 1.75"H x 17.4"W x 15.75"D (4.4 x 44.2 x 40 cm)

Weight — 15 lb. (6.8 kg)

2. Overview

2.1 Introduction

The Rackmount Keyboard Drawers are available in two models. The RM419-R3 has a two-button touchpad, and the RM418-R4 has a trackball mouse.

2.2 What's Included

Your package should include the following items. If anything is missing or damaged, contact Black Box Technical Support at 724-746-5500 or info@blackbox.com.

- Rackmount Keyboard Drawer with Trackball Mouse (RM418-R4) or Rackmount Keyboard Drawer with Touchpad Mouse (RM419-R3)
- (2) rear-mounting L-brackets
- (4) fasteners for rear-mounting L-brackets
- (1) 2-in-1 PS/2 keyboard and mouse cable
- (1) PS/2 to USB adapter
- (1) set of keys
- (1) CD-ROM containing this user manual in PDF format

NOTE: You may also need hardware (not included) to mount the drawer in the rack.

3. Installation Steps

1. Install each rear L-bracket using two fasteners. Leave the fasteners slightly loose. See Figure 1.

Figure 1. Installing the fasteners.

2. Measure the front and rear mounting depth of the rack and align each rear L-bracket to a suitable length. Tighten the fasteners. See Figure 2.

Figure 2. Aligning the L-brackets.

3. Install the keyboard drawer into the rack. See Figure 3. Hardware for mounting the drawer to the rack is not included.

Figure 3. Installing the keyboard drawer into the rack.

Chapter 3: Installation Steps

4. Connect to the server via a USB or PS/2 interface. See Figure 4.

Figure 4. Connecting to the server.

CAUTION: The keyboard drawer is hot-pluggable, but components of connected devices may not be hot-pluggable. Before attempting to connect any devices to the keyboard drawer, turn off the power to them. Apply power to connected devices again only after the keyboard is receiving power.

4. Structure Drawing

Figure 5 identifies the components of the Keyboard Drawer.
